No. Q4B 020132 0288 Rev. 01

Holder of Certificate: **Pilz GmbH & Co. KG**
Felix-Wankel-Str. 2
73760 Ostfildern
GERMANY

Factory(ies): **Pilz GmbH & Co. KG**
Felix-Wankel-Str. 2, 73760 Ostfildern, GERMANY

Certification Mark:

IEC 61508

Scope of Certificate: **Functional Safety Managment System for Integration of E/E/EP Systems, configuration, programming, documentation, structure and test for industrial safety applications.**

Subject of the certification proceedings is the proof of implementation of the requirements defined in the test basis of the management of functional safety, of the documentation, of the assessment of functional safety, and the company-specific overall safety lifecycle phases.The company-specific overall safety lifecycle phases are:

Phases 9 and 10: E/E/PF Implementation
Phase 14: Overall operation and overall maintenance
Phase 15: Overall maintenance and overall retrofit

Phases 14 and 15 are only valid within the framework of the support by the audited company given to their clients, without responsibility for the entire process.

This certificate is not a substitute for an examination or certification of an application-specific E/E/PE system integration.

Applied Standard(s): IEC 61508-1:2010
EN ISO 13849-1:2015

The Certification Body of TÜV SÜD Product Service GmbH certifies that the company mentioned above has established and is maintaining a management system which meets the requirements of the listed standards. The results are documented in a report. For details see: www.tuvsud.com/ps-cert

Report No.: PO101841T
Valid from: 2023-12-07
Valid until: 2026-12-06

Date, 2023-12-08
